

Non-Medical In-Home Care

About Non-Medical In-Home Care

- Safe, effective care in the comfort of home
- Compassionate, professional care providers
- Extraordinary Customer service
- Assignments may range from a couple of hours to 24/7 live-in
- Bonded, trained, insured
- Our employees – we're responsible!
- Caring, compassion and common sense - the right combination for each client
- Subtle smiles, long talks, kindness and humor are hallmarks of our professional care providers
- Since 1996, we've helped more than 25,000 seniors maintain higher levels of dignity and respect
- Free care consultation and assessment

How We Help Your Patients

- Most people want to stay at home, even in the face of illness or injury
- We provide on-going care that cannot easily be provided by family or friends
- We help older adults maintain a level of independence in the comfort and convenience of their own homes
- Multiple levels of care available
- "Continuum of care" assures continuity and eliminates multiple crisis situations
